NORTHLINE COACHING GROUP

Independent Contractor Agreement

Full Cycle Representative

This Agreement is made between Northline Coaching Group (the "Company") and the individual named in the signature block below (the "Contractor"). It takes effect on the date the Contractor signs.

1. Engagement

The Contractor owns the opportunity end to end: sourcing, booking, closing and handover to delivery.

2. Scope of work

- Source and book the Contractor's own pipeline; the Company supplies tooling and list data on request.
- Run both the discovery and the closing call for owned opportunities.
- Collect payment on the call and complete the handover brief for the delivery team within one business day.
- Maintain a minimum of twenty live opportunities in the CRM.

Opportunities sourced by the Company's setting team are not routed to this role and carry no commission here.

3. Compensation

Retainer	USD 800 per month, paid on the first business day.
Commission	14% of cash collected on self-sourced closed opportunities, paid weekly in arrears.
Refunds	Commission on a refunded sale is deducted from the next payment run.

4. Term, status and termination

The Contractor is an independent contractor and not an employee. Either party may terminate this Agreement on fourteen days' written notice. Work completed before the termination date remains payable. Client lists, recordings and messaging frameworks remain the property of the Company.
